Interments -

Full grave lot - for traditional burials in a full lot, one casket and up to 4 urn burials are allowed with the agreement of the remaining family members. additional charges may apply.

Whether in a full lot or half lot, the configuration as seen in the diagram must be followed. Marker west, A2 and B2 comprise the west half of a lot. Marker east, A4 and B4 comprise the east half of a lot. Marker dimensions are 2' x 4' and the inurnment dimensions are 2'x2'.

Urn burials between grave sites are not allowed.

Inurnments -

Full or half lots available. Site restoration fee charged at time of sale.

Urn burials between grave sites are not allowed.

Grave Covers -

As of June 12, 2006 full cement or other types of grave covers, borders, or fences are not allowed. Urn burials are not allowed to be placed under existing grave covers. The grave cover must be removed before inurnment can take place

Columbariums -

Each niche will accommodate two appropriately sized non-perishable urns.

The niche dimensions are 12" x 12" x 12"

The initial price for niche includes 2 urn inurnments.

For any further opening of a niche, the request must be in writing to the Gimli Cemetery Association and give the reason for such request. If the Association grants the request additional charges will apply.

The lettering for names and dates on the columbarium niche doors will be at the cost of the owner. Columbariums have specific door lettering requirements. Call the Supv for more information.
